Special Resolution: Entertainments Committee

This Union Notes:

- The rapid increase in union organised entertainments and events over the past three years.
- The lack of student consultation in organising these entertainments.
- The large-scale interest of the student population surrounding these entertainments.
- The previous existence of an entertainment committee.

This Union Believes:

- That in order to better serve the student population, a democratic entertainments committee is necessary.
- That increased student participation will lead to improved union entertainments.

This Union Resolves:

- To create the proposed Entertainments Committee as a Sub-Committee of Services to be the deciding body with regards to recommending Union Entertainments for Services Committee's consideration.
- To mandate the CSO to produce termly promotional material encouraging students of all years to attend the proposed Entertainments Committee.
- To include an advertisement for the Entertainments Committee in all UCLU Fresher's packs.
