

Motion to Union Council: Miss University London Competition**This Union notes:**

1. The Equal Opportunities Policy
2. That the Miss UCL contest is being held on 2nd December 2008 at Crystal Club
3. That the website claim to send "scouts and representatives on campus"

This Union believes:

1. The Miss University London Pageant contravenes UCL Union's Equal Opportunity policy,
2. The contest undermines female students' academic achievements and those of the College,
3. That the College name should not be used at such a misogynistic event,
4. Individuals are free to take part in the event, but the Union should not support the pageant.

This Union resolves:

1. To not allow publicity and Miss University representatives on union property,
2. To mandate the Welfare Officer to work with College to discuss the use of UCL's name,
3. To mandate the Welfare Officer to write a statement on the Union website.
